For your safety and the safety of others, please make sure to observe the following whilst at our Racecourse:

- Where possible, please travel to the racecourse in private transport.
- Do not travel to the racecourse if you have any Covid-19 symptoms as entry will be denied.
- Observe all social distancing protocols at all times, whether inside or outside the racecourse.
- Please comply with Government guidance relating to face coverings whilst at the racecourse.
- Please comply with any health checks that may be required on entering the racecourse. Please arrive in good time to go through the necessary entry procedures
- Be aware, your temperature may be taken on entry.
- Familiarise yourself with your entry point [entry time] and location of amenities within the racecourse
- Please ensure food and beverage is consumed within the designated areas at the racecourse, such as your table or seat. Takeaway and table service will be available.
- We will be encouraging cashless transactions where possible. On Course bookmakers/tote betting operators will accept cash
- Regularly wash your hands, use hand sanitizer and avoid touching your face and dispose of any used tissues appropriately.
- Do not remove hand sanitizer or other personal hygiene products from their locations.
- Do not congregate in specific areas of the racecourse (for example, along the rail or by the Winning Post).

- Make sure all walkways, corridors and doorways etc are clear before you walk through.
- Avoid face to face contact with other spectators and avoid hugs, high fives and any contact with people not in your social bubble.
- Follow all signage and the instructions of staff, officials or any emergency service personnel present at the racecourse.
- Do not try to access areas of the racecourse apart the area detailed on your ticket.
- Make sure other members of your group have read and understood these guidelines.

Thank you so much for your support and co-operation. Stay alert and stay safe!
