Car Parking

In order to provide a quicker and more convenient access to the Owners' & Trainers' facilities please use the designated O & T Car Park located at the stables. There is clear signage, and stewards to direct you. Access to this car park is from the roundabout at the 5f end of the track. The postcode for your sat nav is EH21 7PR.

Please follow the signage on the day as there will be no access to the main entrance by car.

Each runner is allocated **6 badges with 4 lunch vouchers (lunch vouchers are for the Owner ONLY & are non transferable)**.

You must book a table in advance by calling 0131 665 2859 as this will be a very busy race meeting.

The exit from the O & T Car Park will be regulated during racing. To exit the car park you will need to leave via the access route (follow the signs) and this will take you out towards the A1, avoiding the main public car park and the town.
