

# MUSSELBURGH RACECOURSE

SINCE 1816

**OWNERS UPDATE - Essential information if you plan to visit Musselburgh Racecourse.  
Please note the new information highlighted in red.**

As part of the phased return of owners to racecourses in line with the Government guidance for elite sports grounds, we are delighted to allow four racehorse owners (or their representatives) to attend race meetings at Musselburgh held behind closed doors.

To enable us to ensure that all of the appropriate arrangements are in place and minimise risk for owners and prioritise the safety and wellbeing of all attendees, we need you to provide us with the details of all those who will be attending by no later than 4pm on the day before the race meeting (card holders also need to be named if attending). Please use the Racecourse PASS System to do this, via [www.rcapass.com](http://www.rcapass.com). If you do not have access to the PASS System or need any assistance in its use, please contact the PASS Helpdesk on 01933 270333 or [pass@weatherbys.co.uk](mailto:pass@weatherbys.co.uk).

For the avoidance of doubt, for Syndicates and Racing Clubs, it will be the responsibility of the Syndicator/Club Manager to submit the names of those individuals attending the fixture.

**Syndicates can now order between 5 -12 badges for a grandstand package. This package will include food on the hoof with a cold drink, tea, coffee and cakes. A cash bar will also be available.**

Owners that would still like a sit down three course meal can order up to 4 badges via PASS before 4pm the day before racing.

**If you declare your horse you will receive a declaration email via the PASS system. Please book via the PASS system for groups up to 4.  
Syndicate & Racing managers with groups of 5-12 please email your members names to [jwalker@musselburgh-racecourse.co.uk](mailto:jwalker@musselburgh-racecourse.co.uk) before 4pm the day before racing.**

For Racing Managers who require assistance registering attendance on behalf of owners in groups up to 4 please contact the PASS helpdesk. Children can attend as one of the four owners if pre-registered. All children attending will undergo the entry screening process as standard.

Please note that if a horse is declared a non-runner, the owner should not attend the fixture.

All owners are required to read the information and complete the personal health assessment <https://www.roa.co.uk/raceday/covid19/return.html> . You will also be required to complete health questions and a temperature check on arrival at the racecourse. If your temperature exceeds 37.8°C, you will not be granted access to the racecourse and will be advised to travel home.
