

# MUSSELBURGH RACECOURSE

SINCE 1816

Thank you for your entry and declaring your horse to run at Musselburgh.

We are pleased to welcome 4 owners per runner. To register the names of those attending please visit [www.rcapass.com](http://www.rcapass.com) and complete the required details no later than 4pm on the day before the race meeting. If you require additional badges please contact the racecourse directly – details can be found under the 'Racecourse' tab on [www.rcapass.com](http://www.rcapass.com).

For the avoidance of doubt, the owner must be in attendance with guests. Badges are strictly non-transferable and the owner must be named on one of the four badges.

To enable us to ensure that all of the appropriate arrangements are in place and minimise risk for owners and prioritise the safety and well being of all attendees we need you to provide us with the details of ALL those who will be attending no later than 4pm on the day before the race meeting (the card holder also needs to be named). Please use the Racecourse PASS System to do this, via [www.rcapass.com](http://www.rcapass.com). If you do not have access to the PASS System or need any assistance in its use, please contact the PASS Helpdesk on 01933 270333 or [pass@weatherbys.co.uk](mailto:pass@weatherbys.co.uk)

Syndicates and Racing Clubs, it will be the responsibility of the Syndicator/Club Manager to submit the names of those individuals attending the fixture.

For Racing Managers who require assistance registering attendance on behalf of owners please contact the PASS helpdesk. Children can attend as one of the four owners if pre-registered. All children attending will undergo the entry screening process as standard.

All bookings will automatically have a table reserved in the Queens Stand.

**Following Tuesdays announcement from the Scottish Government we will no longer be able serve alcohol on the 12th October.** Please note that the current guidelines also state that there can be no more than two households per table. If your booking is more than two households and therefore require an additional table please contact me on the email below.
